Please return to Sammi Kaiser, Nominating Chair, at nominating@jloomaha.org.
SUBMISSION DEADLINE: September 1, 2019

The Association of Junior Leagues International, Inc. (AJLI) is committed to providing excellent service and training to its member Leagues in support of the Junior League Mission. Organizational Development Institutes (ODIs), a series of mission-based leadership development meetings, are a critical component of AJLI's training program. These training sessions are geared toward building the knowledge of League members who manage the League's key functions. They are highly rated by delegates.

Held over the course of a three-day weekend (Friday midday to Sunday noon), ODIs are a fun-filled and refreshing way for Junior League members to learn. Delegates come away with greater knowledge, progressive ideas and a plan to implement what they have learned.

Trainings such as these are designed for the "senior management" of a Junior League. Members of the Board, Management Team and current vice chairs are eligible to apply. The objective is to provide League managerial teams with the knowledge and skills necessary to enhance their League's internal and external impact.

The Junior League of Omaha will send one member to ODI in either Grapevine, TX in October or Orlando, FL in February. One League member will be able to attend **one** of the conferences. The League will reimburse for the ODI registration cost, one hotel room for two nights, round trip airfare and up to \$50 for food. Total eligible reimbursement is \$1,500.00. Alcohol costs are not eligible or reimbursement.

Final agenda and course descriptions will be available prior to the AJLI registration deadline. Final selection of educational track for participants will be determined based on the League's current needs and may change from the tracks listed below.
